- Achieve or exceed financial goals on regular basis by controlling expenses, optimizing schedules and regulating inventory usage.

---

## EDUCATION

Expected in September 2023

**Certificate Software Development**

**Base Camp Coding Academy Graduate Institute**, Water Valley, MS

Base Camp Coding Academy is a non-profit 501 (c) (3) organization that allows under-advantaged individuals to enroll in a year-long program where the students work with real-world technologies.

These technologies include the fundamentals of app-development, coding, project management, and the life leadership skills they will need to be successful in their career and competitive in this software development job market upon graduation. It is fast-paced and focused curriculum that covers Python, HTML, CSS, JavaScript, Django, Java, and Spring. In this program, I participated in a variety of leadership roles such as mentoring, managing, and procuring necessary materials for the organization.

May 2011

**High School Diploma**

**New Albany High School**, New Albany, MS
